

of slice 5, and may be corrected by setting the hands so that the forks point more in the direction of the left shoulder.

Before changing the set of the hands be sure that it is really at fault and that the hands are not merely lazy in performing their

hand), and (3) the fulcrum (this is the left hand). At the moment of impact the hands work not together but against each other.

Immediately prior to and during the moment of the club's contact with the ball, the right hand speeds up the club head. It cannot do  
it is not a club head fails to offer a backward
